About This Content

Created in the spirit of early console RPGs, this pack of 50 battlers by artist Tyler Warren brings 50 more fresh options to the professional and amateur game creator. Carefully crafted in a style comparable to the immensely popular Dragon Quest (Dragon Warrior) series, this set features monsters ranging from cute to colossal. Trolls, bugs, slimes, elementals, beasts, animals, flyers, and many others. Recently remastered for use in RPG Maker MV.

Features:

- 50 unique battlers
- Files formatted for easy Plug and Play into RPG Maker MV
- All 50 battlers are presented in sizes ranging from large to small; let the slime be the boss with no scaling issues
 - Battlers also come in recommended sizes (proportional to each other) for RPG Maker MV
- Art style similar in spirit to the classic whimsical RPG characters of Dragon Quest (Dragon Warrior)
 - Recently remastered for sharper colors and better usability
